About Us

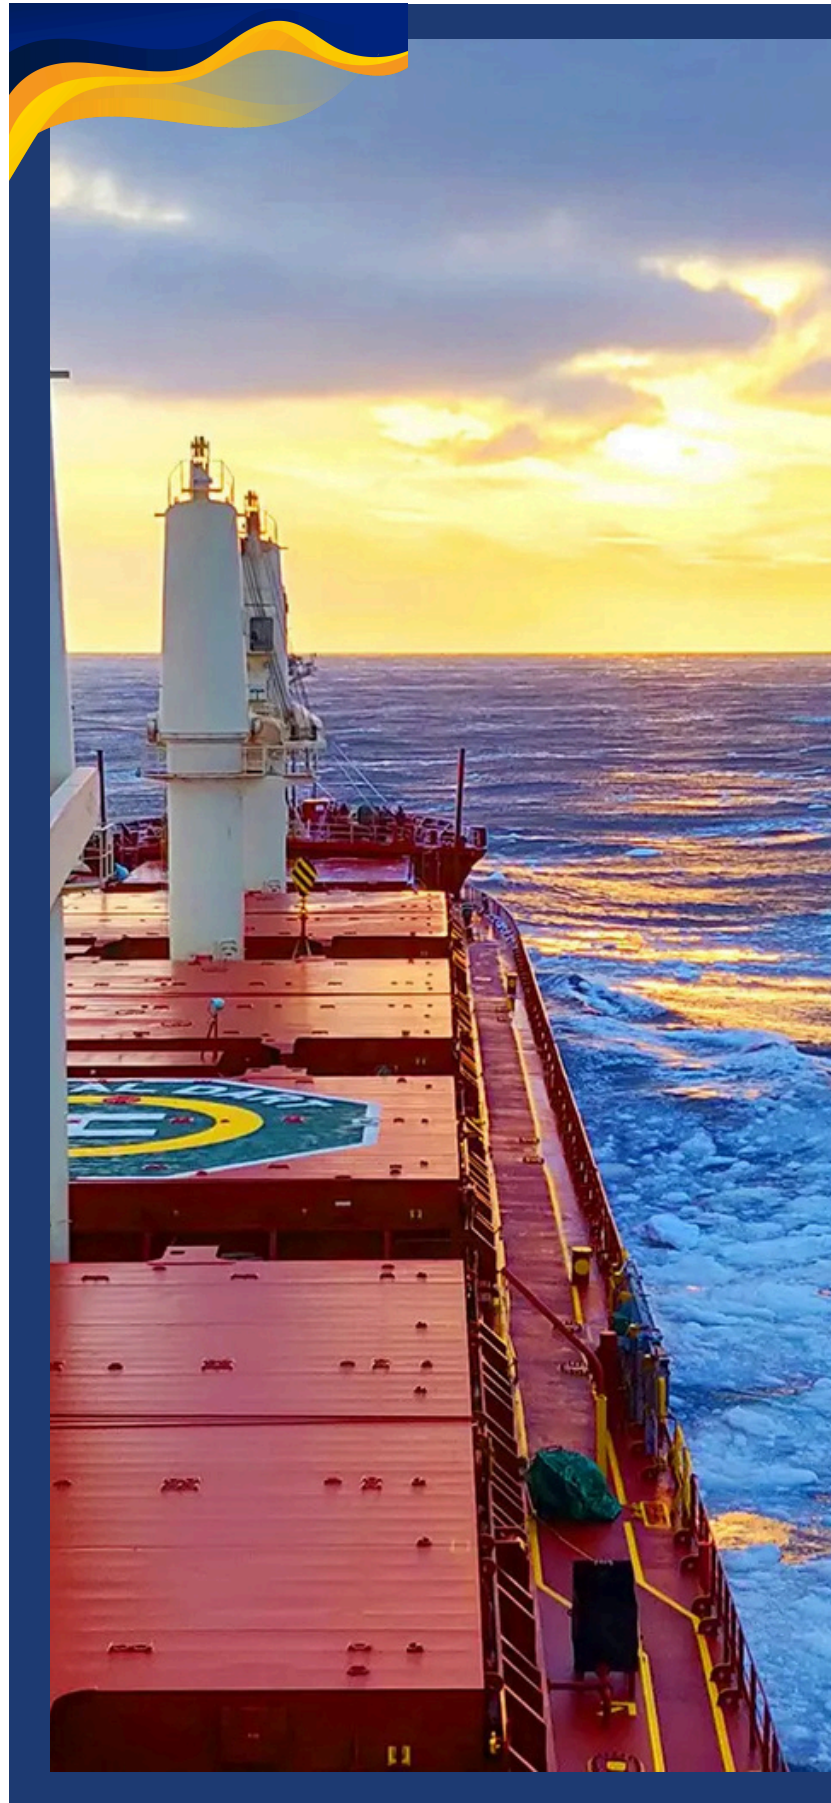

MALAR GROUP OF COMPANIES

Moving Forward Together.....

Welcome to **Malar Group of Companies**, your premier destination for comprehensive shipping solutions. With a rich legacy spanning over seven years, Malar Group of Companies has emerged as a trusted name in the maritime industry, offering a full spectrum of integrated shipping solutions across global seas tailored to meet your every need. Our unwavering commitment to excellence and customer satisfaction has propelled us to the forefront of shipping & logistics solutions, setting us apart as a beacon of reliability and efficiency.

Founded in **2017** by the visionary **Mr. Subash Rajan**, Malar Group of Companies embarked on its journey with a singular focus: to provide unparalleled customs clearance services and is built on a foundation of expertise, professionalism, and reliability. Backed by an experienced leadership team, we are committed to raising the bar in the shipping industry by providing prompt, efficient, and high-quality services **across all Indian ports.**

Our operations team is trained regularly, ensuring deep technical knowledge and a proactive approach to **Vessel handling**. We take pride in our strong communication, **documentation clarity**, and in-depth knowledge of **port operations**, helping us guarantee fast and smooth vessel turnaround and offering comprehensive and reliable shipping solutions through our companies – **Malar Shipping Services & Sakthi Shipping Agencies**

Our Mission

At Malar Group of Companies, our foremost mission is to place your needs at the pinnacle of our priorities. We are dedicated to furnishing effortless and efficient solutions for your goods, with a steadfast commitment to alleviating any logistical or shipping complications you may encounter.

Entrust us to streamline your operations and ensure the seamless transportation of your products. Delve into streamlined logistics for steadfast efficiency. Tailor competitive pricing to meet your bespoke requirements.

Our Vision

At the heart of our enterprise lies a vision of a world characterized by effortless global trade. We envision a realm where unparalleled customs clearance, vessel agency, and ship brokering & chartering services are the norm. Through meticulous shipment coordination, streamlined warehousing, and dependable transportation, we empower businesses to flourish by seamlessly connecting and moving their goods across the seas.

In fostering such seamless connectivity, we cultivate a landscape of prosperity and achievement. Provide effortless customs, freight, ship broking, chartering, vessel agency, and marine survey & port captaincy solutions for businesses.

Our Core Services

MALAR GROUP OF COMPANIES – Moving Forward Together.....

- **Vessel Agency**
- **Owner Matter Services**
- **Chartering & Ship Broking**
- **Marine Survey & Port Captaincy**

SPECIALIZED SERVICES

- ·Slop, sludge & garbage disposal arrangements
 - ·Workshop & technical repair coordination
 - ·Navigational & marine equipment supply
 - ·Ship spares (new & reconditioned)
 - ·BA charts & publications provisioning
 - ·Crew repatriation & travel support
 - ·Document verification & compliance (B/L, SOF, PDAs)
 - Owners' fund receipt and payment management
-
- The Group aims to deliver exemplary solutions to **Shipowners, Charterers, Importers, Exporters, & Forwarders** by meticulously laying the blueprint for every task undertaken. Further, utilizing every expertise to deliver cargo smoothly to its destination, ensuring optimum utilization of available skills and cost-effectiveness.

VESSEL AGENCY SERVICES

At all Indian ports, we efficiently handle your port calls and work with all relevant authorities for smooth operations. We communicate quickly and promptly, providing all of the documents necessary for **smooth operations**. Our skilled team goes about its business precisely and makes sure to know each port's particular infrastructure, facilities, restrictions, and procedures. **We represent Vessel Owners and Charterers.**

OWNER MATTER SERVICES (HUSBANDRY SERVICES)

We provide services for **Owners Matters (Husbandry Services)** at all the ports of India. This covers areas of support, services of any kind that a Vessel or Master may need. Specifically, we can provide assistance with:

- **Crew changes and Repatriation,**
- **CTM (Cash to Master) Clearance and Delivery**
- **Spares Clearance and Onboard Delivery**
- **Stores Supply (Deck, Engine, Cabin, Navigation)**
- **Vessel Repair Coordination**
- **Garbage, Slop, and Sludge Disposal**
- **Technical and Workshop Support for any kind of repairs**
- **Verification of PDAs and Managing the Payments**
- **Assistance with signing Bills of Lading.**

⚙️ SHIP BROKERING & CHARTERING

At Malar Group of Companies, we have a very **wide network** of shipping partners, shippers, and consignees. This gives us the capability to tap into a vast fleet of vessels, including those that are the size of Capesizes. This wide range of vessels provides us with the ability to accommodate cargoes that range from **dry bulk** to **project cargo**, and includes **heavy lifts** and **breakbulk**, in addition to all kinds of minerals, logs, fertilizers, and grain. We handle various types of contracts and agreements, including long-term charters, spot market fixtures, and others. Our expansive network and wide-ranging capabilities make us a **reliable** and **responsive maritime service provider**. We are based in KANDLA, so the Asia Pacific region is our home ground, but we are experienced at fixing ships worldwide.

🔍 MARINE SURVEY & PORT CAPTAINCY

We are committed to provide professional services to the Maritime Industry by way of **Marine & Cargo Surveys**, Commodity Inspections, P&I Surveys etc., which also includes:-

- **Draft survey, bunker surveys (on/off-hire), condition surveys**
- **On-board supervision & cargo tally**
- **Vessel attendance during loading/discharging**
- **Stowage planning & stevedoring supervision**
- **Daily performance reporting**

Port Captaincy involves overseeing vessel operations at the port, ensuring safe cargo handling, compliance, and coordination between ship and shore for **efficient turnaround**.
